

PRO Leather Care

Mxalt Leather Care Cleans and provides lasting care, while maintaining the surface quality, all smooth leathers. It is long-lasting formula designed to clean dirt, grime, unwanted contaminants, and some stains from your vehicles leather, vinyl, and plastic surfaces while restoring and nourishing the original natural sheen without leaving a greasy residue.

Features:

The simple, spray-on-wipe-off formula brings back dull, older vinyl and leather surfaced to the “like new” state that is desired. Freshens up colours, restores natural beauty and keeps leather in a natural supple finish. Restores, shines and conditions in one step. Effortlessly removes dirt, oil and grease. Makes the leather especially supple and prevents it from cracking. Helps repel water and leaves no oily residue. Moisturizes to prevent dulling, fading and cracking. Special enriched formula give leather a deep, rich luster without adding any artificial slickness. Keeps leather looking good longer.

Applications:

Shake the bottle well before use.

Apply the leather care treatment evenly in a circular motion using a clean cloth and leave to dry for a few minutes. Then rub it dry with a clean cloth.

It can be used on many leather, vinyl and plastic surfaces including for Car, truck, vinyl tops, golf bags, handbags, briefcases, Leather furniture, shoes, belts and other leather or vinyl goods.

For all textured leather surfaces, apply only a very thin layer of the product.

Makes cleaning easier.

Silicone-free
