

Car Work Lamp

Art No : AX 3101101

- Soft, pleasant and low-shadow light for effortless work.
- Works on 12 volt.
- 90% energy saving compared to traditional lamps.
- 10 times life more than standard lamps.
- Protection class II/protective insulation.
- No warm-up and pre-heating time, Full light efficiency immediately available, Very good cold start behavior.
- Resistant to oil, petrol and UV radiation
- 60 super bright LED.
- Power-lead length 5 m.
- Resistant to oil, petrol and UV radiation.
- Cable connection Solid rubber shaped plug.
- Low power consumption, Saves costs, Environmentally friendly

Starter Cables

Art No : AX 3101102

Booster Cable, Light Duty, Copper (AWG/kcmil) 10, Cable Length (Ft.) 12, Orange/Black, Standard Jaw, Commercial, Includes Built-in Positive and Negative Identification Protection against over voltage
No reverse polarity protection.
Fully insulated sheet metal clamps for loads up to max. 600 A.
In line with DIN standards
In robust, tear-resistant.

Tools trolley

Art No : AX 3101103

Heavy duty construction
4 swivel type wheels of which 2 are with locks.
2*5 Rubber castor wheels
Ball Bearing sliders
Powder coated finish
Central lock with barrel key set
Gas struts supported top lid for smooth opening
Can be disassembled easily for transportation.
Overall dimensions (mm): 890*445*990 mm
Chest Overall: 688.5*397*345 mm
2 drawers: 316*372*50 mm
1 drawer: 316*372*110 mm
1 drawer: 660*372*102 mm
Weight 50 kg
