

## Wheel Chocks

Art No : AX 3101105

- Wheel chocks ideal for stopping vehicles, trucks, trailers and caravans.
- All weather construction for reliable performance in any climate.
- Non slip surface for superior traction.
- Oil resistant.
- Light weight with moulding grab handle for easy positioning.
- This solid rubber wheel chock is essential Storage and repair.
- Pair of chocks to prevent vehicles moving whilst working with trolley jacks, scissor jacks, bottle jacks, axle stands or on a slope
- Available in 2 modles 3.8 kgs & 6.2kgs

## Refractometer

Art No : AX 3101107

Measuring coolant concentrations is essential to cooling system maintenance.

Place small sample of coolant on lens, then hold lens up to light source. Light bends through liquid, providing an accurate reading on scale.

Refractometer automatically corrects for temperature on both types of coolant (ethylene and propylene glycol) while measuring battery charge levels.

This refractometer can be used for measuring concentration and freezing temperature of ethylene glycol and propylene glycol which are used as antifreeze mixture for automobiles.

Accurate, fast & Simple

## Door Trim Remover Set

Art No : AX 3101108

Door Trim Remover Set, making you completely capable of removing fasteners and door trim clips from your door. This remover is a safer alternative than using your hands, or a screwdriver that may cause damage to your panels. Additionally, it is much more time efficient and removal is usually completed in a few fast motions. This set includes a Wide Edge Remover, Narrow Edge Remover, Pull-Type Remover, Handle Remover and an Upholster Tool. Tools made from durable, flexible glass filled Nylon 12 Pcs set
