Hydro Pneumatic Trolley Jack

for Trucks & Buses

Features:

Constructed of high-grade steel and built to exacting standards for quality and durability
 Lead-free paint finish is applied after a thorough chemical wash to ensure a long-lasting finish and to help prevent rust
 Paint is oil, grease and dirt-resistant for easy cleanup
 High quality large diameter hydraulic steel cylinder unit results in lower oil pressure needed to raise the load, helping to reduce wear and extend service life
 Piston-ram is treated and polished to resist skiving
